## Product Guide

Nanotouch® products are patent pending. Nanotouch® and NanoSeptic® are registered trademarks of Nanotouch Materials, LLC. Made in the USA

### Nanotouch Pattern Colors

Many of our products now come in three color choices to complement your interior design. If you're a property or facility manager, switching among these colors every 90 days is an effective way to alert occupants that your Nanotouch self-cleaning surfaces are always current. The pattern showcases the high quality of the materials we use.

### Nanotouch Product Usage Pointers

Our products are easy to work with, durable, and guaranteed.

- Replace public touchpoints every 90 days.
- Replace mats, mouse pads, and personal products every 12 months.
- Adhesive touchpoints are simple to install; just peel and stick
- Sleeves are also a breeze to install; just slide on.  
(Handles require a little extra assistance from Windex.)

### Customer Satisfaction Guarantee

We provide a 100% product satisfaction guarantee.

We'll replace any defective products – no questions asked.

And if you aren't happy with a product for any reason, simply return unopened packages for a full refund.
